STATUTORY & REGULATORY COMPLIANCE UPDATE

An official update on various announcements due to COVID-19

Message from JCSS

The COVID-19 pandemic has thrown life out of gear. Specifically, for businesses in India, March signals the end of the financial year and brings along with it various deadlines. With the entire country in lockdown, the Government has, mercifully, extended reporting and other statutory deadlines.

We have consolidated these extensions in this document. But, a note of caution...these have been collated from various press releases and are not borne out of notifications. If the notifications sing a different tune, we will keep you updated.
